Independent Auditor's Report

The Board of Directors of
The Tinker Foundation, Incorporated

We have audited the accompanying financial statements of The Tinker Foundation, Incorporated (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Tinker Foundation, Incorporated as of December 31, 2019 and 2018, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of investments as of December 31, 2019 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Bruce J. Hanagan & Co.

THE TINKER FOUNDATION, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

Note 1 Organization

The Tinker Foundation, Incorporated (the "Foundation") is a private foundation which supports activities to promote the development of an equitable, sustainable and productive society in Latin America.

Note 2 Summary of Significant Accounting Policies

Basis of Presentation

The financial statements are prepared in accordance with United States generally accepted accounting principles. Revenue is recorded when earned and expenses are recorded when incurred. Net assets are classified based on the existence or absence of donor-imposed restrictions. All net assets of the Foundation are considered net assets without donor restriction.

Cash and Cash Equivalents

Cash and cash equivalents represent short-term investments with maturities of three months or less, at the time of purchase, except for those short-term investments managed by the Foundation's investment managers as part of their long-term investment strategies.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Allocation of Expenses

The financial statements report certain categories of expenses, such as rent, general office, travel and depreciation expenses that are attributable to one or more program or supporting functions of the Foundation. Those expenses are allocated based on time and effort in addition to salary and benefit costs. Other expenses incurred are allocated directly to the applicable program or supporting service.

Fair Value Measurements

The Foundation follows Financial Accounting Standards Board (FASB) guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

THE TINKER FOUNDATION, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

Note 2 Summary of Significant Accounting Policies (Continued)

Investment Valuation

Investments are carried at fair value. The fair value of alternative investments has been estimated using the Net Asset Value ("NAV") as reported by the management of the respective alternative investment fund. FASB guidance provides for the use of NAV as a "Practical Expedient" for estimating fair value of alternative investments. NAV reported by each alternative investment fund is used as a practical expedient to estimate the fair value of the Foundation's interest therein. These investments have been excluded from classification within the fair value hierarchy as required under U.S. GAAP.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the determination of the change in net assets.

Property and Equipment

Property and equipment are recorded at cost and depreciated using the straight-line method. The office space of the Foundation, a condominium, is being depreciated over a forty-year period. Furniture and fixtures purchased prior to January 1, 2002 are being depreciated over a fifteen-year period. Subsequent additions are being depreciated over seven years. Computer equipment is being depreciated over a three-year period. The Foundation capitalizes all property and equipment items purchased over \$10,000.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which is June 5, 2020.

Note 3 Federal Excise Taxes

The Foundation is a nonprofit organization exempt from Federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (the Code), and is a private foundation as defined in Section 509(a) of the Code. The Foundation is subject to a federal excise tax of 2% on its net investment income, as defined, for tax purposes. However, the excise tax is reduced to 1% if certain conditions are met. The Foundation estimates it will be subject to the 1% rate in 2019 and has met its minimum distribution requirement. The tax rate was 1% for 2018. Excise tax expense totaled approximately \$33,337 and \$50,600 for 2019 and 2018, respectively.

Deferred excise taxes principally arise from differences between the cost and fair value of investments. At December 31, 2019 and 2018, the fair value of the Foundation's investments exceeded the total cost; accordingly, provisions for deferred federal excise tax were made for the tax on the net appreciation of investments using the 1.39% and 2% tax rate in 2019 and 2018, respectively. Deferred excise tax expense (recovery) totaled \$56,411 and (\$218,512) for 2019 and 2018, respectively.

THE TINKER FOUNDATION, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

Note 4 Unrelated Business Income Tax

The Foundation is subject to unrelated business income tax on certain income generated through its investment vehicles. The Foundation's investments generated unrelated business losses in 2019 and 2018, resulting in no federal tax for the respective years.

Note 5 Fair Value Measurements

The following are major categories of investments measured at estimated fair value as of December 31:

	2019		
	Level 1	Reported at NAV	Total
Treasury notes	\$ 2,994,540	\$ -	\$ 2,994,540

Note 5 Fair Value Measurements (Continued)

- a. The investment objective of this fund is to achieve capital appreciation through event-driven investments which seek to exploit situations in which announced or anticipated events create inefficiencies in the pricing of investments. The fund primarily invests in the securities and financial instruments of issuers (I) that are experiencing financial distress, that are attempting to complete an out-of-court restructuring, are involved in a bankruptcy or similar proceedings and/or involved in substantial litigation or (ii) that are the subject of proposed changes in corporate structure or control, such as tender or exchange offers, mergers, unsolicited merger proposals, spin-offs, split-offs, liquidations and recapitalizations. In making event-driven investments, the fund may invest at any or all levels of an issuer's capital structure. The fund also engages in convertible arbitrage and volatility arbitrage.
- b. The fund's investment objective is to generate positive absolute returns on capital through investments, long and short, in the securities and other financial instruments including, without limitation, senior, secured and unsecured bank debt and public debt, junior debt, trade claims, equities, convertible securities, options, swaps, credit default swaps and other derivatives of companies that are (i) experiencing financial distress; (ii) attempting to complete an out-of-court restructuring, including spin-offs and recapitalization; (iii) involved in bankruptcy, liquidation, or similar proceeding; and/or (iv) involved in substantial litigation. This fund has liquidity limitations of up to 1/3 of the fair value at the time of any redemption.
- c. The investment objective of this fund is to generate long-term, superior, risk-adjusted returns by investing primarily in publicly traded equity securities. The investment manager seeks to achieve the investment objective by employing a strict fundamentals-based investment approach. The fund generally invests in companies that appear to be trading at a discount to their intrinsic value, and short companies that it believes are trading at a premium to their intrinsic value. It looks at any situation that could result in a security being mis-priced, including overlooked businesses, spin-offs, security offerings, mergers and acquisitions, restructuring, management changes, business inflection points, and public leveraged buyouts.
- d. The fund was organized with the objective of achieving interest income and long-term capital appreciation by investing in non-U.S. debt securities. The fund concentrates its investments in bonds of countries having the best value in the form of high real interest rates.
- e. The investment objective of these funds is to obtain long-term capital gains and income through investing in diversified portfolios of international equities.
- f. This limited partnership was formed to invest in a select group of private equity funds in the venture capital, buyout and capital restructuring sectors. The partnership began operations on November 12, 2004 and will dissolve and terminate upon the later to occur of, (i) December 31, 2014, (ii) one year after the date by which all of the partnership investments have been liquidated (which is estimated to be July 1, 2021) or (iii) the occurrence of another liquidating event, as defined by the partnership agreement.
- g. This limited partnership was formed on September 14, 2007 to invest in real estate assets, with a goal of achieving superior risk-adjusted returns. The investment period, as defined by the partnership agreement, terminated in 2012.

THE TINKER FOUNDATION, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

Note 6 Net Investment Return

Net investment return as of December 31, 2019 and 2018 consists of the following:

	2019	2018
Interest and dividends	\$ 2,123,639	\$ 2,208,732
Realized gains	1,734,804	3,750,276
Unrealized gains (losses)	<u>8,533,450</u>	<u>(10,925,590)</u>
	12,391,893	(4,966,582)
Direct investment expenses	<u>(403,176)</u>	<u>(512,621)</u>
	<u>\$11,988,717</u>	<u>\$ (5,479,203)</u>

Note 7 Liquidity and Availability of Financial Assets

The following reflects the Foundation's financial assets as of December 31, 2019, reduced by amounts not available for general expenditures within one year of the statement of financial position date. Amounts not available include amounts set aside for long-term investing.

Cash and cash equivalents	\$ 3,856,204
Investments	<u>81,560,701</u>
	85,416,905
Illiquid investments	<u>(335,294)</u>
Total financial assets available for general expenditure within next 12 months	<u>\$ 85,081,611</u>

In order to maintain spending power and the original corpus of the Foundation, the Board has enacted a spending policy for budgeting purposes of 5.3% of a three-year trailing average of its assets.

Note 8 Property and Equipment

Property and equipment consist of the following as of December 31:

	2019	2018
Office condominium	\$2,152,757	\$2,152,757
Furniture and fixtures	<u>130,099</u>	<u>130,099</u>
	2,282,856	2,282,856
Accumulated depreciation	<u>1,887,793</u>	<u>1,831,262</u>
	<u>\$ 395,063</u>	<u>\$ 451,594</u>

THE TINKER FOUNDATION, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

Note 9 Retirement Benefits

The Foundation provides a 401(K) Plan covering all of its employees who are 21 years of age or older. Employees are permitted to contribute to this plan from pre-tax compensation up to the dollar limit established annually by the Internal Revenue Service as well. Employees who have 12 months of service at the Foundation are eligible for the Foundation's discretionary contribution benefit. The Foundation contributed 15% of eligible compensation, 3% as a safe harbor contribution and 12% as a discretionary contribution, to each eligible participant. This benefit totaled \$97,353 and \$55,580 in 2019 and 2018, respectively.

Note 10 Grant Activity

Grants are recognized in accordance with defined payment schedules and as the related contractual conditions are met. Grants are subject, on an annual basis, to revocation rights by the Foundation and the continued qualification of grantees, among other things. Not reflected in these financial statements are \$2,250,000 of contingent grants that are expected to be paid over the next two years.

Note 11 Concentration of Risk

The Foundation maintains cash in banks, which at times exceed federally insured limits. The Foundation uses only large well-established banks to minimize this risk and has not experienced any losses on its cash deposits.

Note 12 Post-Retirement Liability

In 2016, the Tinker Foundation adopted a formal post-retirement medical policy for long-time employees that either were approaching retirement or retired from the Foundation at that time. Under the policy the employees will receive \$6,000 per year for medical costs for the first five years and \$3,000 per year for the next five years, ending at 10 years of benefits. There is one elderly past-employee whom the Foundation has promised to cover up to \$6,000 per year of medical costs for the remainder of her life.

	<u>2019</u>
Benefit obligation at December 31	\$ 136,000
Accrued benefit costs recognized in the statement of financial position	\$ 110,000
Benefit cost	\$ 5,619
Employer contributions	\$ 23,619
Benefit paid	\$ 23,619

A 6% discount rate was used in determining the current accrued benefit obligation. This plan is not funded.

THE TINKER FOUNDATION, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

Note 12 Post-Retirement Liability (Continued)

The expected benefit payments over the next ten years are as follows:

2020	\$ 25,000
2021	25,000
2022	19,000
2023	16,000
2024	16,000
2023-2026	<u>35,000</u>
	<u>\$ 136,000</u>

Note 13 Subsequent Event

Subsequent to year end, the COVID-19 pandemic spread globally and is affecting economic conditions throughout the world. The pandemic is likely to adversely affect the Foundation's activities, financial conditions, and change in net assets on an interim basis. Due to changing global financial market conditions as a response to the pandemic, the Foundation's investment portfolio has declined in value. An estimate of the total loss cannot be determined at this time.
